仗助的同班同學。在一個偶然的機會下，認識了仗助，兩人成了好友。他也具有替身能力。此替身就是會操縱聲音的「ECHOES」

東方仗助

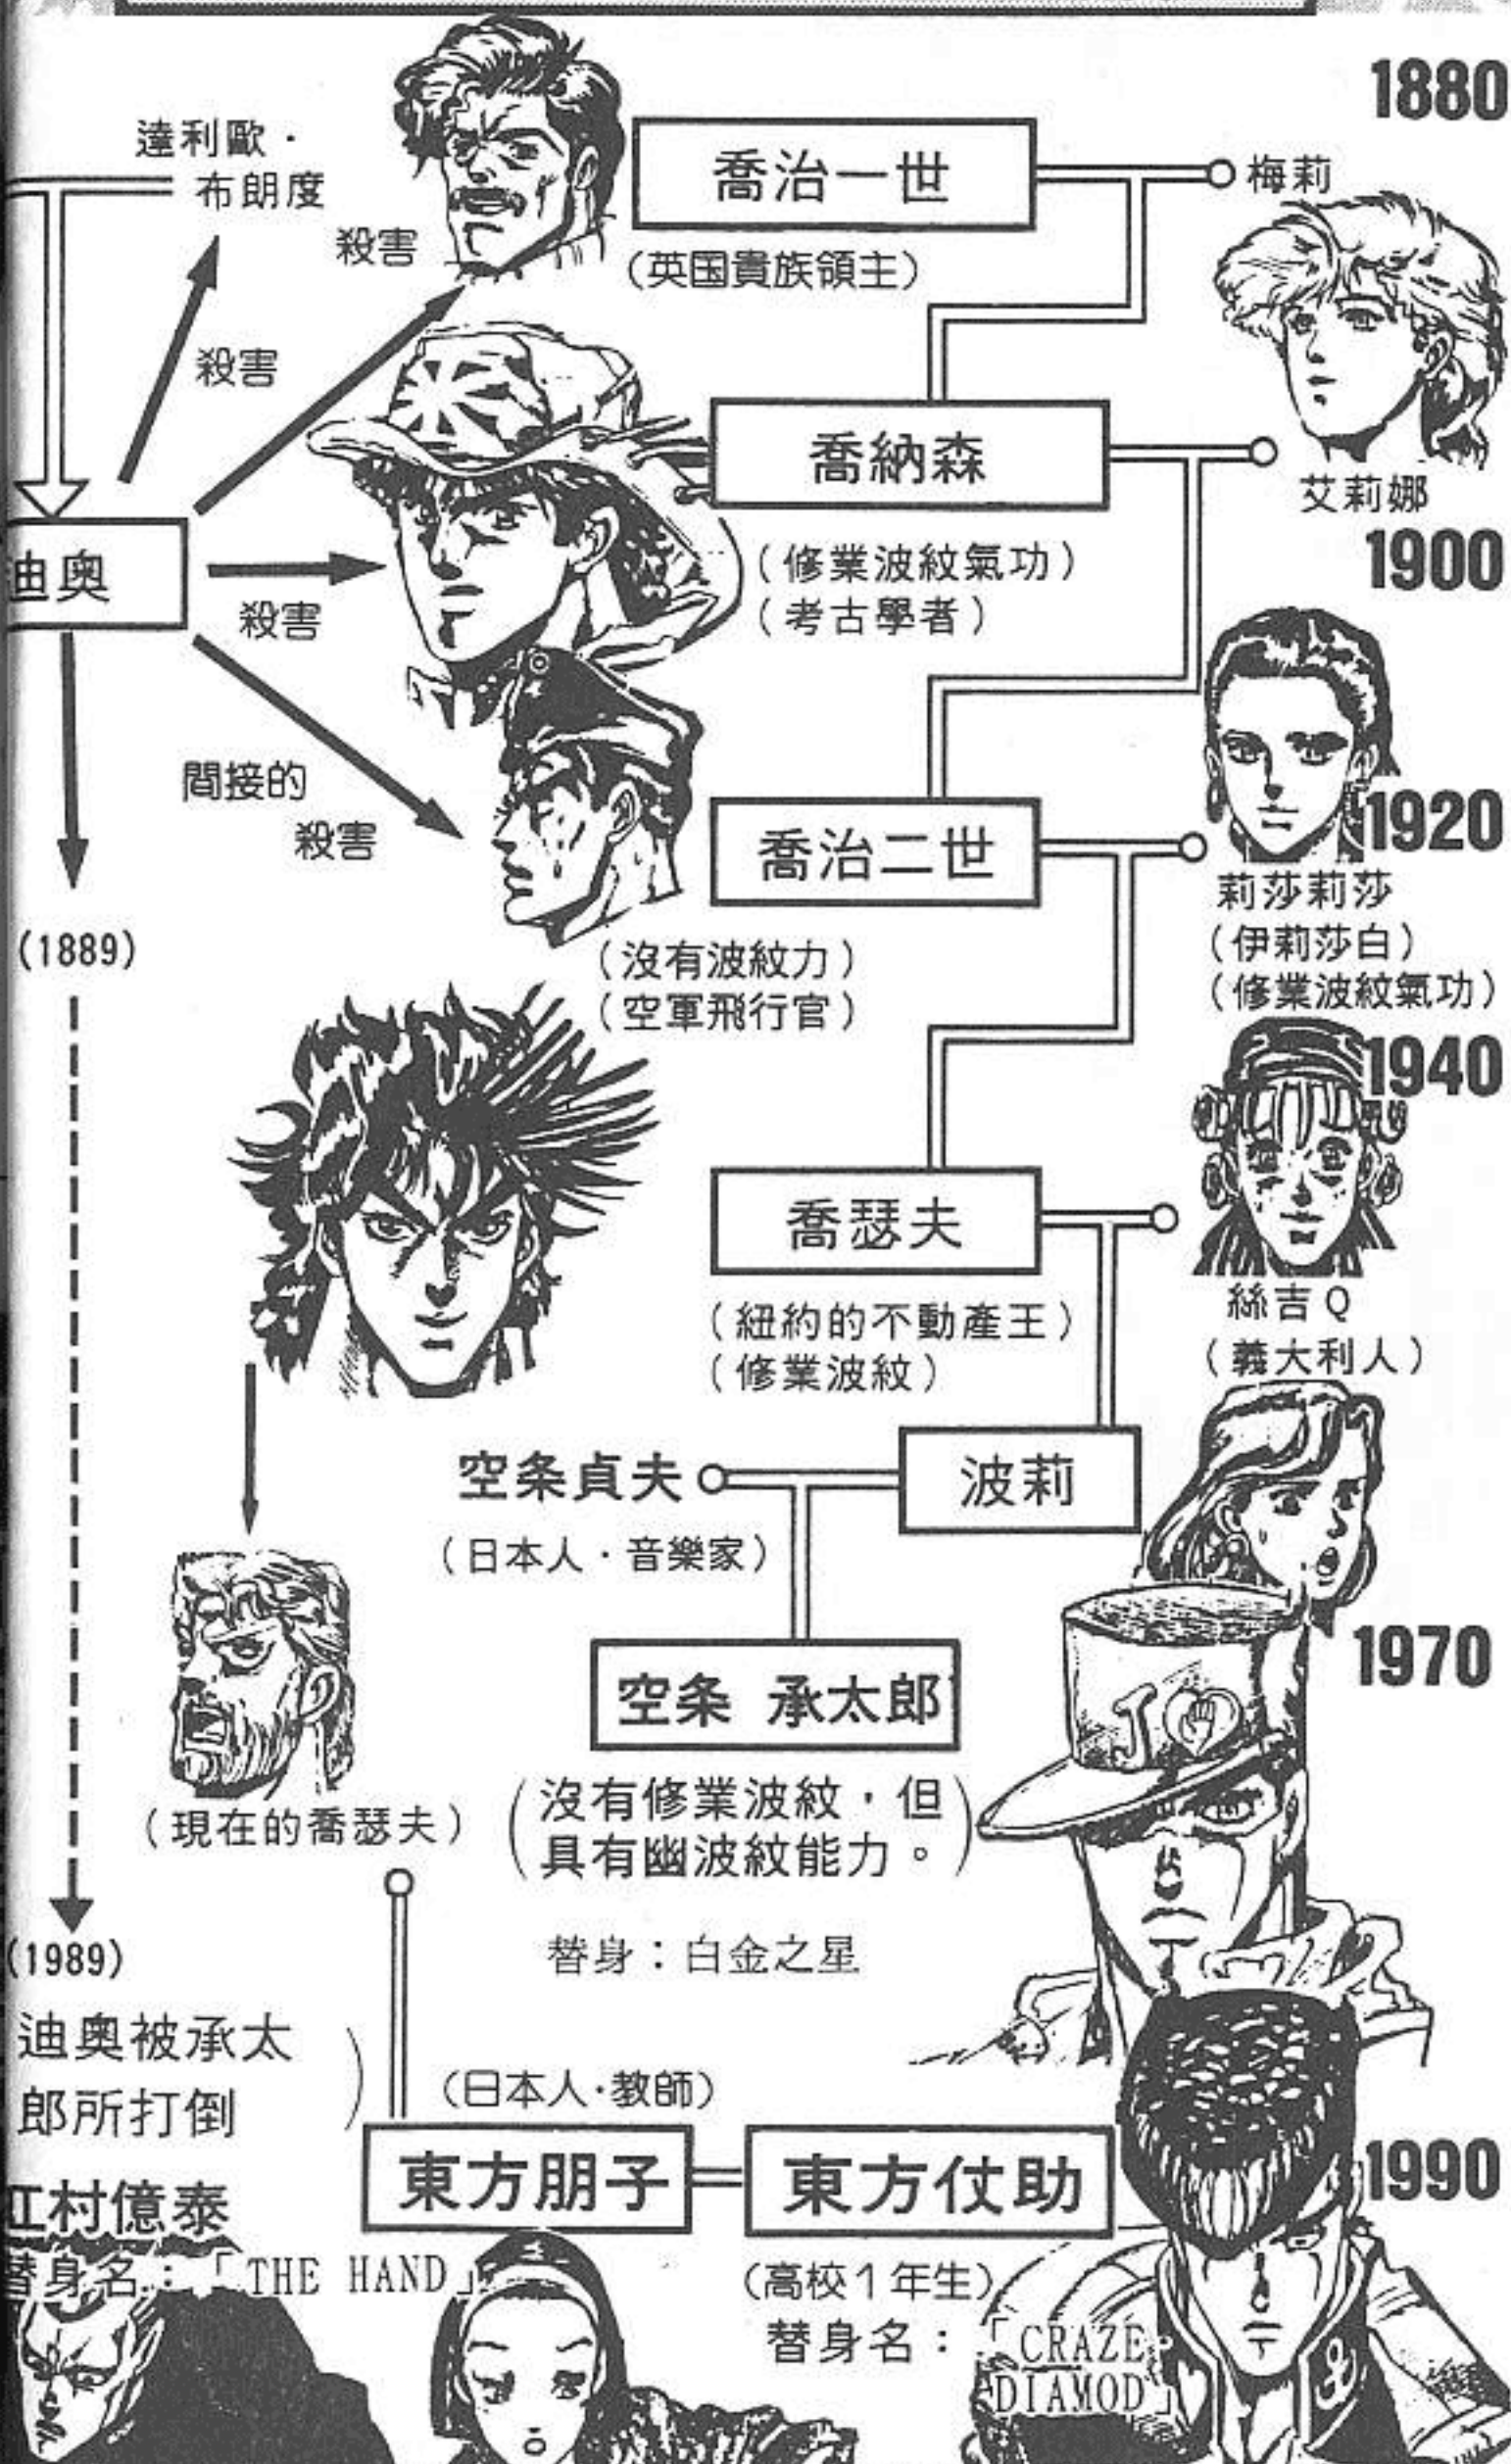

杜王町的高一學生。是個直腸子的人，但只要被批評髮型，立刻怒髮衝冠要修理人。血緣上算是承太郎的「舅舅」。

空條承太郎

具有類似守護靈的超能力替身。在他打倒迪奧之後，成為有名的海洋冒險家。

喬斯達家的族譜

★前情提要★

這是一段歷經一個世紀以上，有關迪奧與喬斯達家族深刻淵緣的故事。現代的日本——喬瑟夫・喬斯達的孫子空條承太郎（亦為喬瑟夫）擁有號稱替身的超能力。為了拯救被替身所害的母親波莉，他必須要打倒始作俑者迪奧。於是喬瑟夫與伙伴便前往埃及，最後終於抵達埃及，也找到迪奧所在的館邸。在失去阿布德爾、伊奇和花京院三個同伴後，承太郎終於打倒迪奧，結束這場宿命的對決。

一九九九年，空條承太郎來到了日本一個平凡的地方，S市杜王町，他是來見住在這個鎮上的舅舅・東方仗助。有一天，「辛紅辣椒」來到了仗助家，宣稱要殺害承太郎和仗助，接著，仗助在杜王港碰到「辛紅辣椒」的本體音石明。

You think a thin tire like that can really isolate my power!?

Akira was sent to prison

This did take some effort...

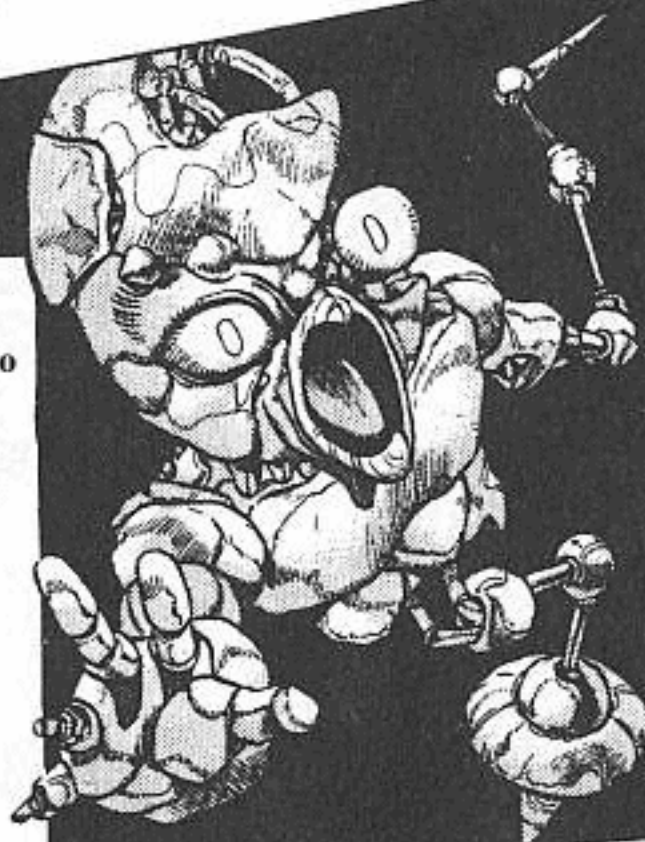

what happened to the bow and arrow Akira stole?

Jotaro has been in Duwang for over a month already...

Akira was scared of Jotaro to death. He promised after his sentence he will continue on his quest to being a rock star

Akira was sent to prison for 3 years with no bail or parole. before he went into the prison Jotaro and Okuyasu threatened him if he will to use Red chilli hot pepper for escaping from prison or doing anything bad after release, they will hunt him down wherever he goes and rid of him for good, Jotaro was supposedly dead serious...

in subconscious ??

after this kid left his mother, he became alone and using stand ability is a self protecting mechanism

I think the kid is using his stand subconsciously

I don't know why he's doing it. but...

I think it's the kid himself using the stand ability.

Josuke...

I...

Now we will have to find this baby's mother to resolve this matter

I think this kid is just trying to protect himself while looking for his mother.

normal people when under pressure

sometimes gets stomach ache, bald, or white hair.

I can't. I used to play with babies but that was long long time ago!

nice baby...

do something don't let him cry anymore!

hey!

this thing is way too weird, seems like some stand user is making the baby transparent, but why a baby? and how can a mother leave her baby just like that!?

why here?? and why is it totally transparent?

From the size and the feel, I think this baby is only...

6 months old

can he even talk?

Let's ask this baby who are his mother and father...

Josuke what to do with this?

became transparent, the baby maybe safer but....

you...

Josuke!

have any
napkins with
you?

It's all
transparent,
before I smelled
it, I didn't even
realize

this smell....
is that a pile of...
on your hand?

I just touched
my beard with
that hand....

How do we find
the mother of
this kid?

and we gotta
get her some
clothes.

Let's try
to find some
diapers and
milk for now...

let me see...

What is
this, can
you tell?

THIS
THIS IS...

you
touched
it,
so what

now
what?

did you touch
between the
legs?

it's a

WELCOME!

Mr. Joestar
How about
you go in
there?

I thought about this...

So I bought some makeup

but if they can't see her face, they will probably get scared.

this way even if she moves around, we can't lose her!

噫!

I am more familiar with dollars

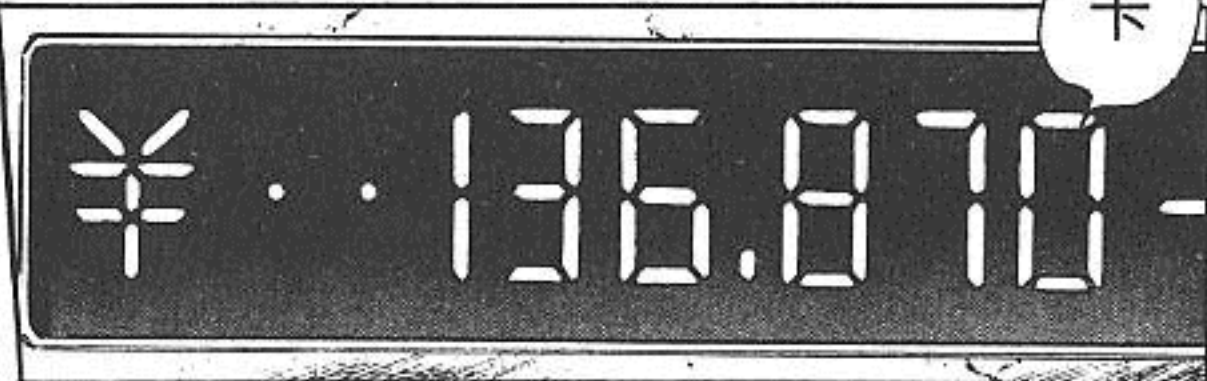

it's like a little over 1,000 dollars

it's here,

seems that she doesn't like being touched by strangers!

This is mental pressure!

Looks like her ability is trigger by mental instability

she wants to be protected, but how are we supposed to feed her with milk or take care of her?!

This kid is so troublesome!!

if she continue to strengthen her power, nobody can approach her anymore! she might turn the whole person transparent!

This is like when people can't eat or sleep

Do you know how to produce a interesting comic series?

they are everywhere, from people's houses to mountains even. easy to catch in the morning and dusk

I heard this kind of spider is called ghost spider.

I guy has to produce 20 pages a week, is it even possible?!

What! you are the only one?!

also grids and dialog

none, I am the only one here.

what about your assistants and helpers?

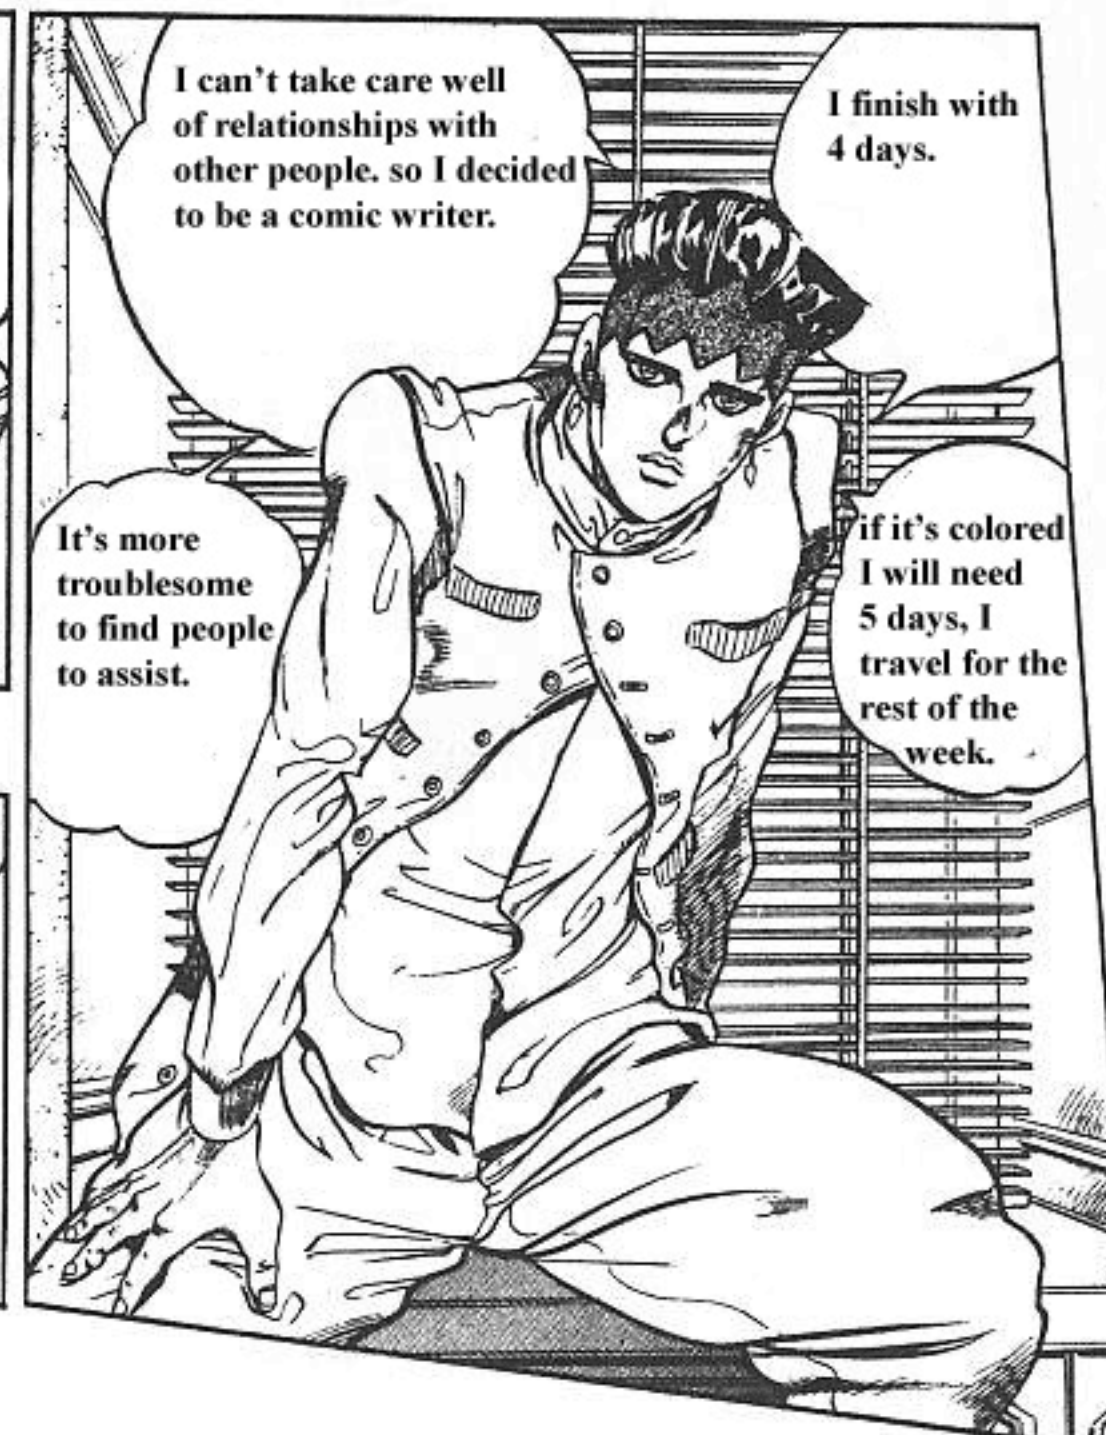

genius!

Surprising

sorry.

I can't take care well of relationships with other people. so I decided to be a comic writer.

I finish with 4 days.

It's more troublesome to find people to assist.

if it's colored I will need 5 days, I travel for the rest of the week.

but as a comic writer,
when you need to draw
a spider, you will need to
know where does the legs
grow out from the body,
is it female or male.

Most people will
think a spider is
sickening, usually
when they see it
they want to kill it.

I NEED TO
TALK TO
JOSUKE
ABOUT THIS!!

or I won't lose
20 kg body
weight for
nothing...

Must be someone
somewhere using
his stand to attack
me

who is
it?!

?

this is
5 kg

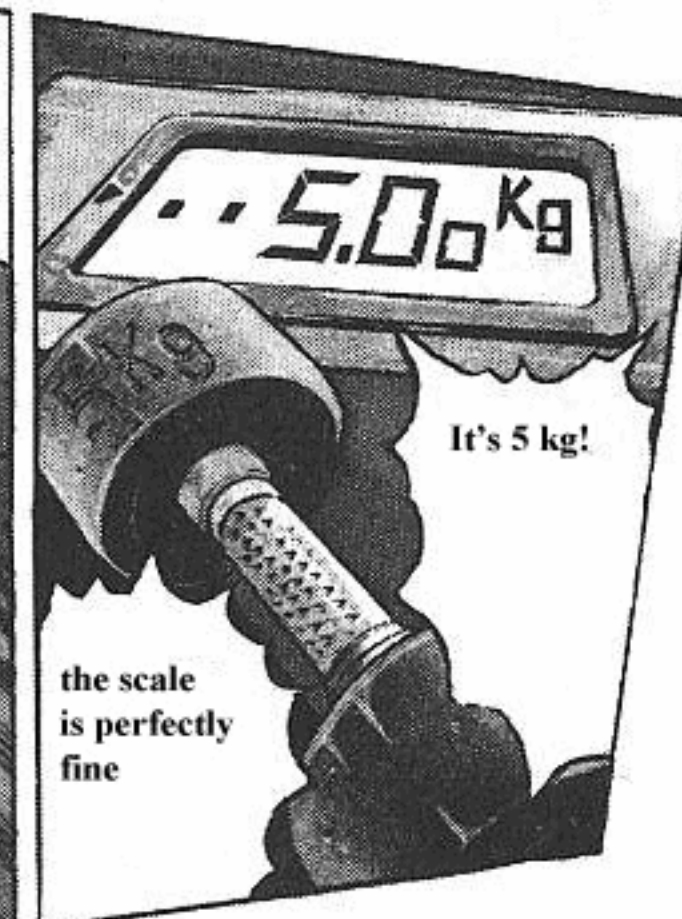

I've lost
weight,
20 kilos

What is
this!

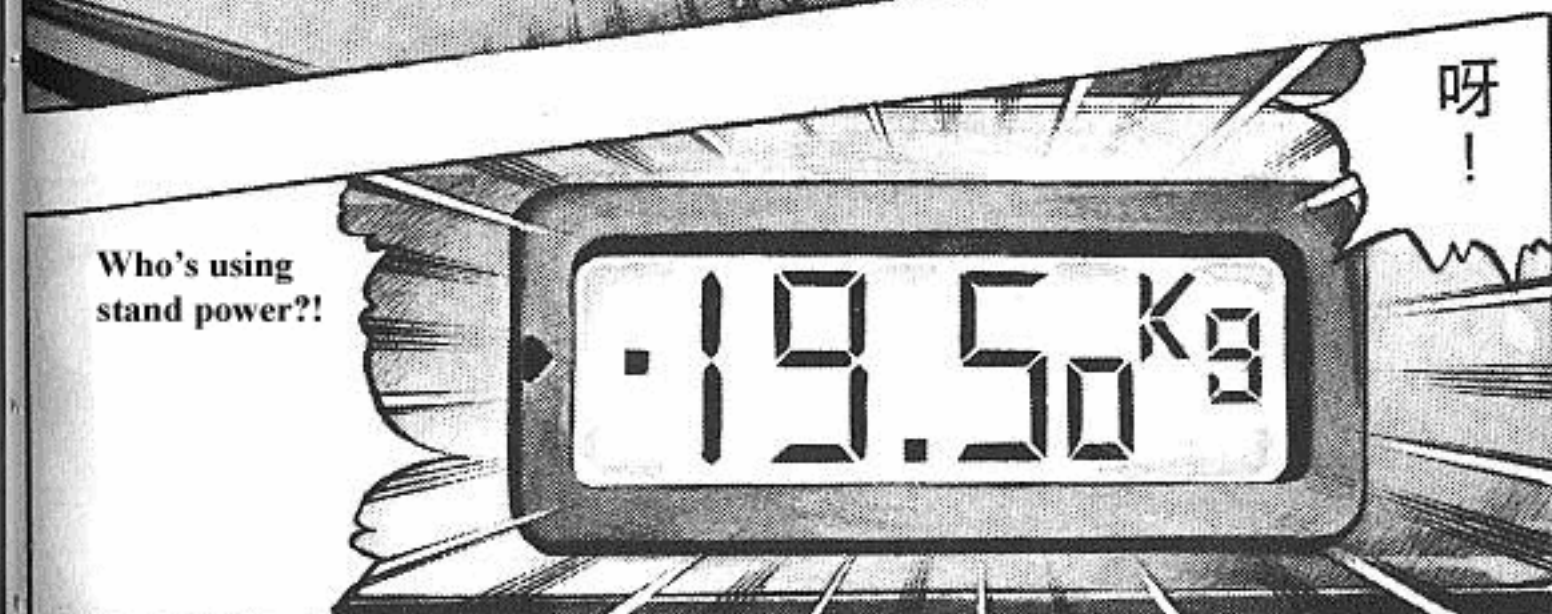

not
possible...

this ...

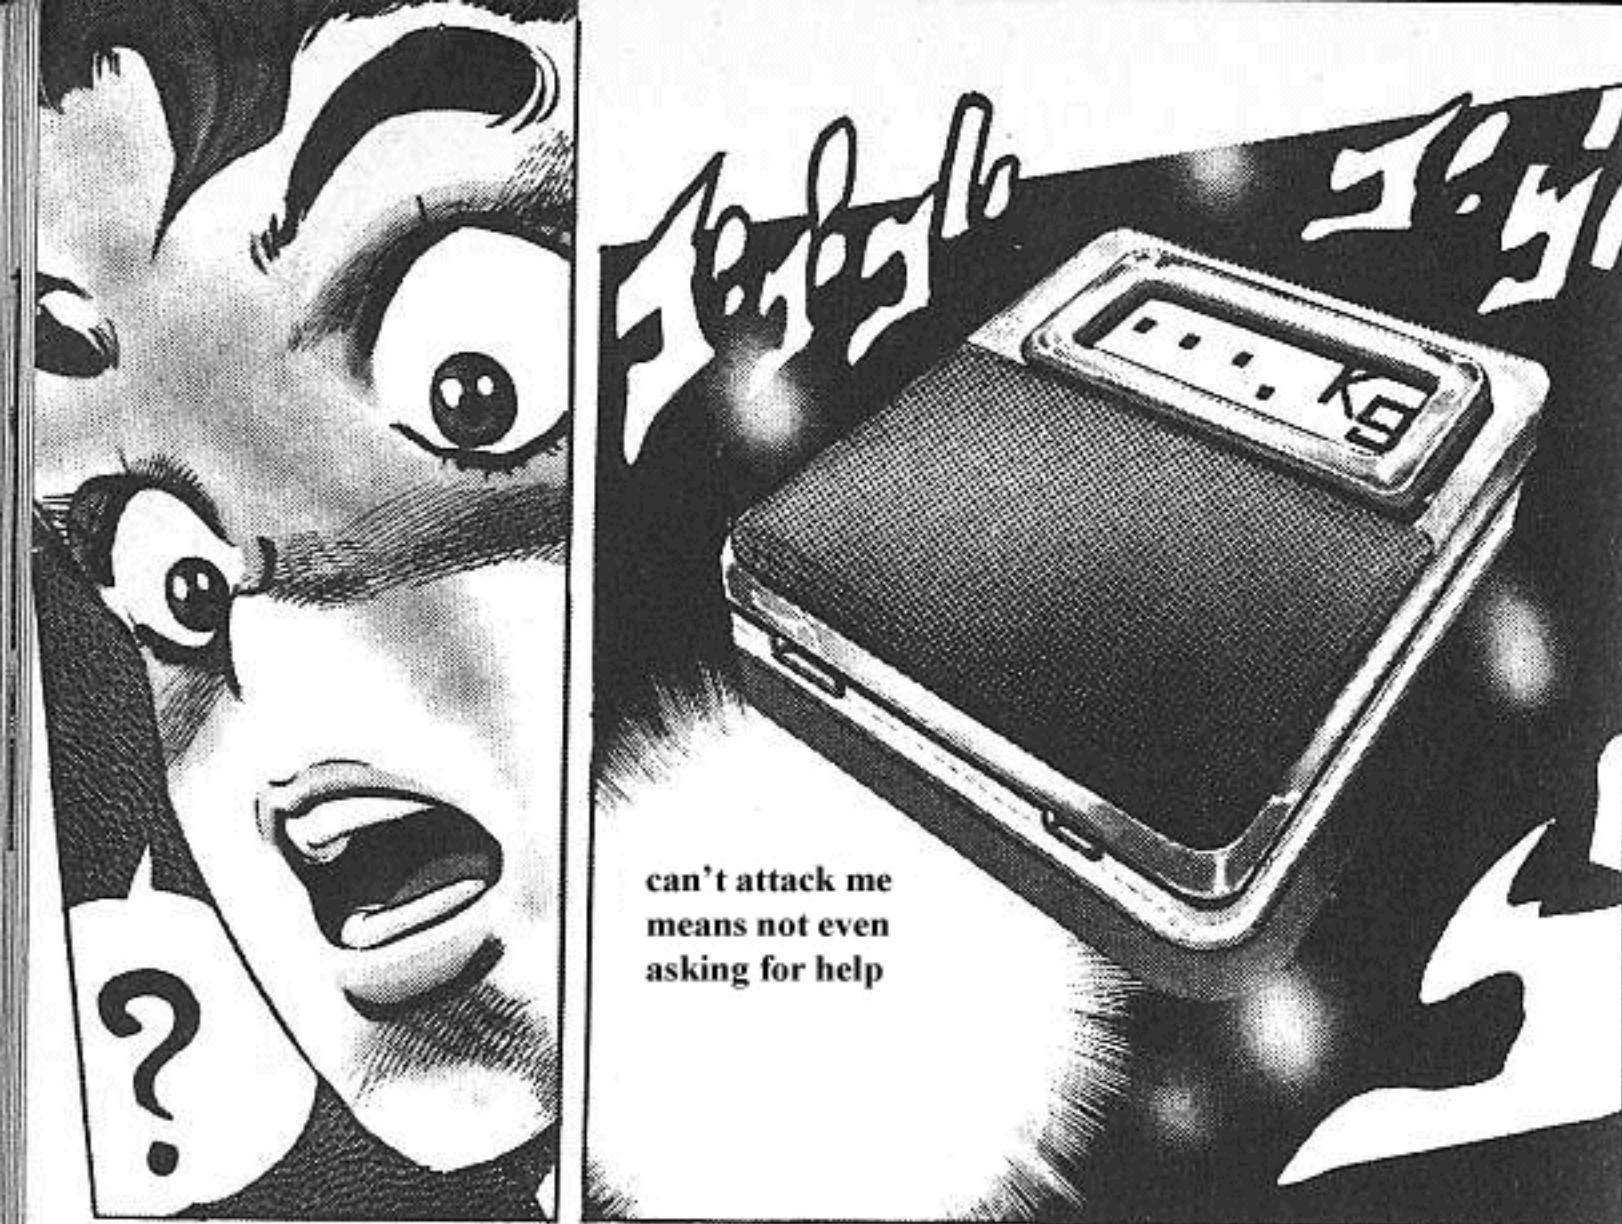

It's 5 kg!

the scale
is perfectly
fine

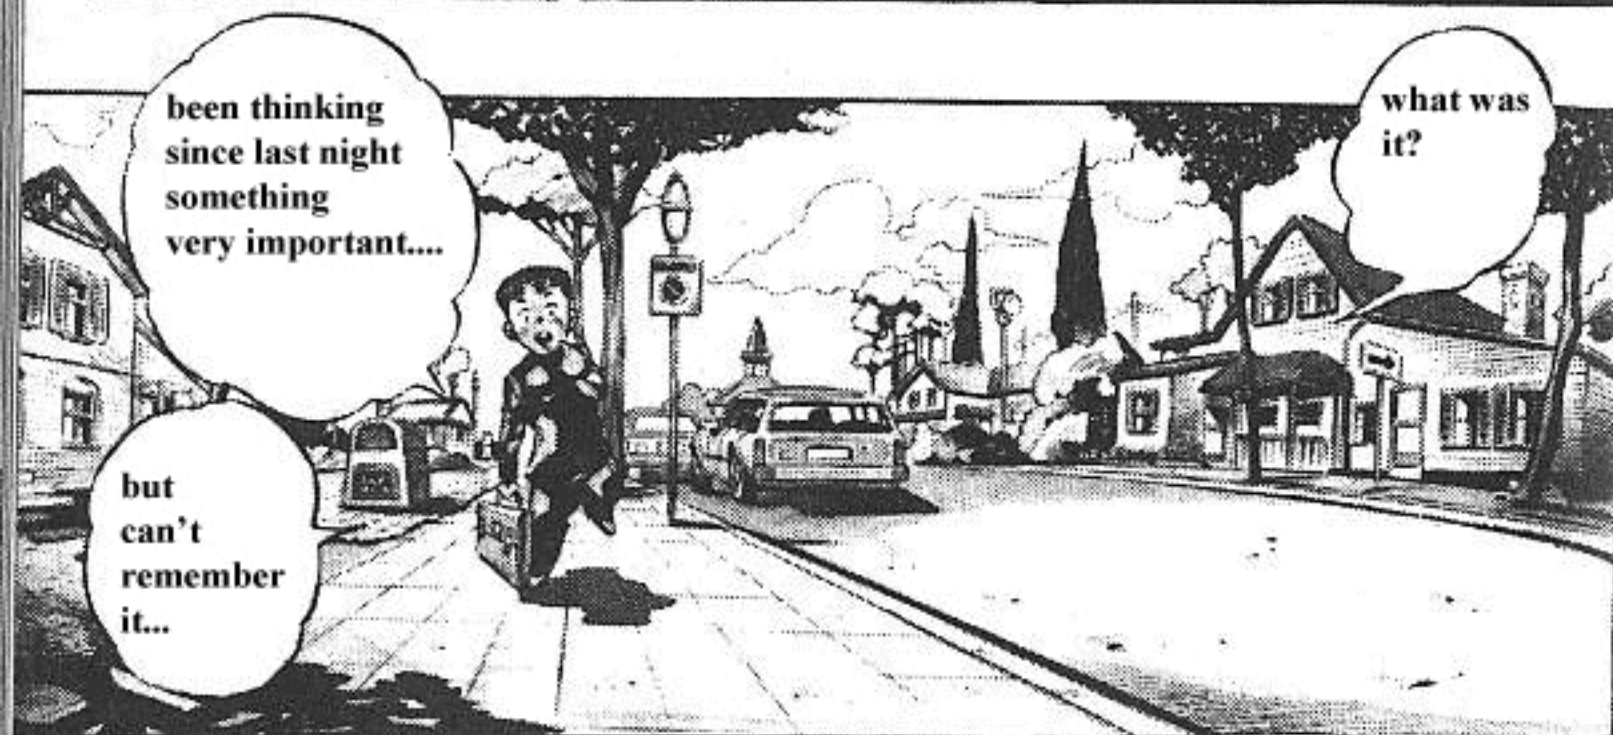

Who's using
stand power?!

呀!

can't attack me
means not even
asking for help

been thinking
since last night
something
very important....

but
can't
remember
it...

what was
it?

strange

not even
at school yet.
so tired
already

and this
morning my
bag and shoes
are so heavy

what's
with you
need
anything?

Koichi

no, it's my
brother,
he's running
around in
his underwear

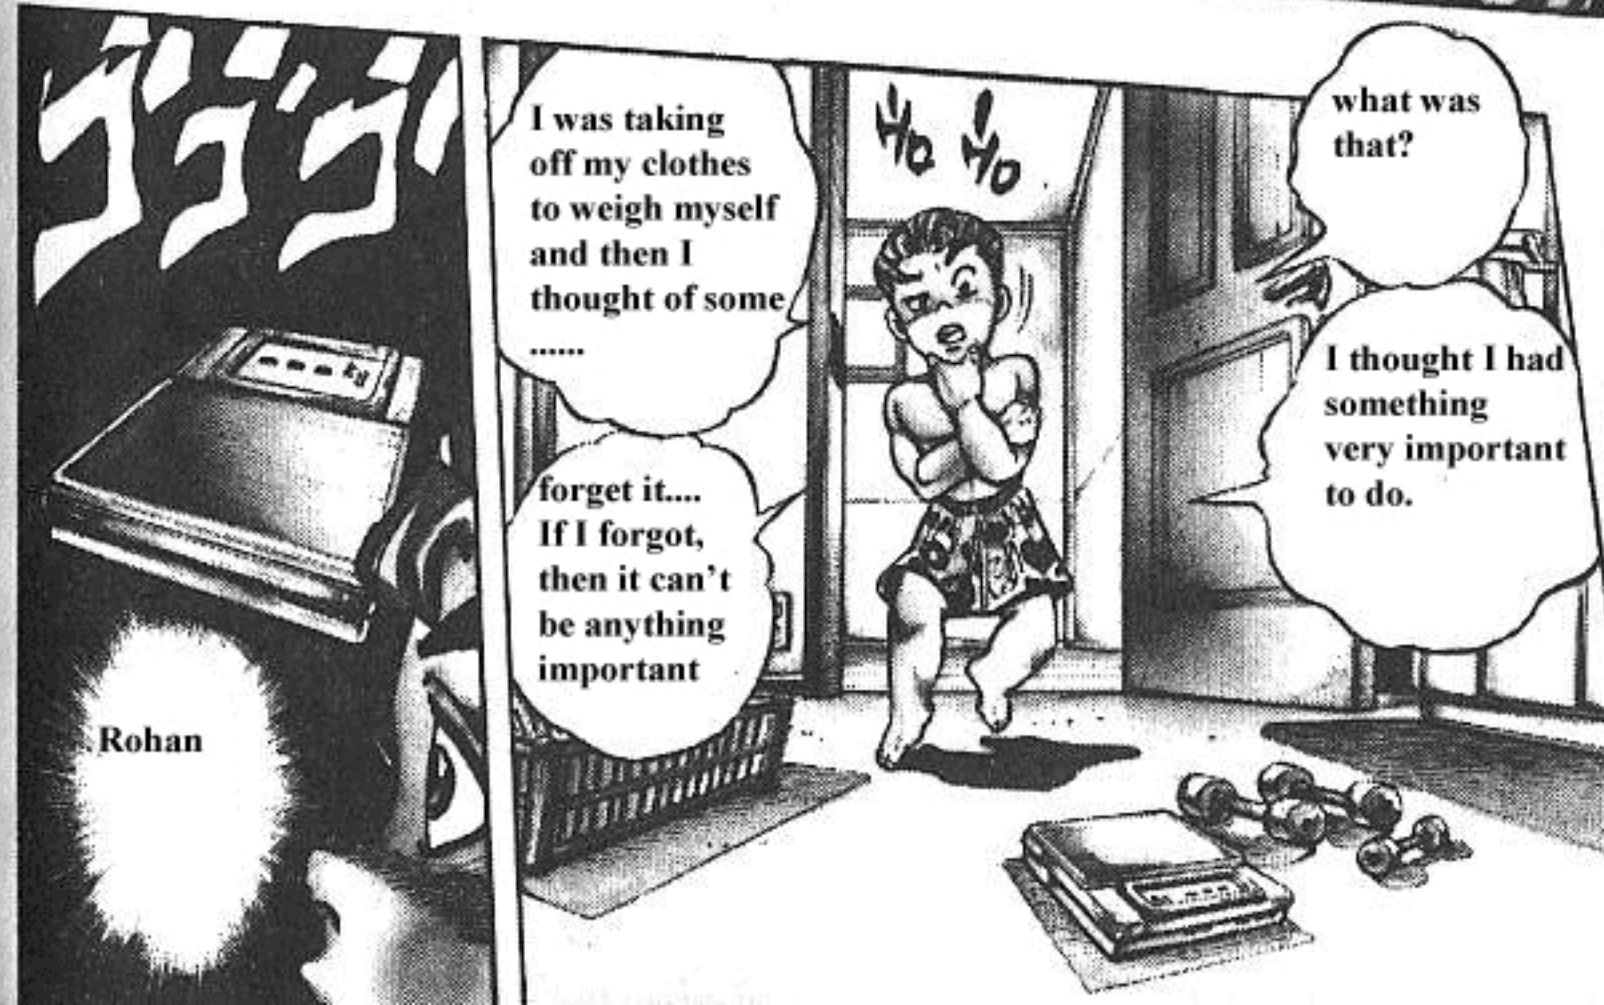

what's
wrong
with
you?

I needed to do
something, what
was it?

no....

?
me?

you
want to
use the
phone?

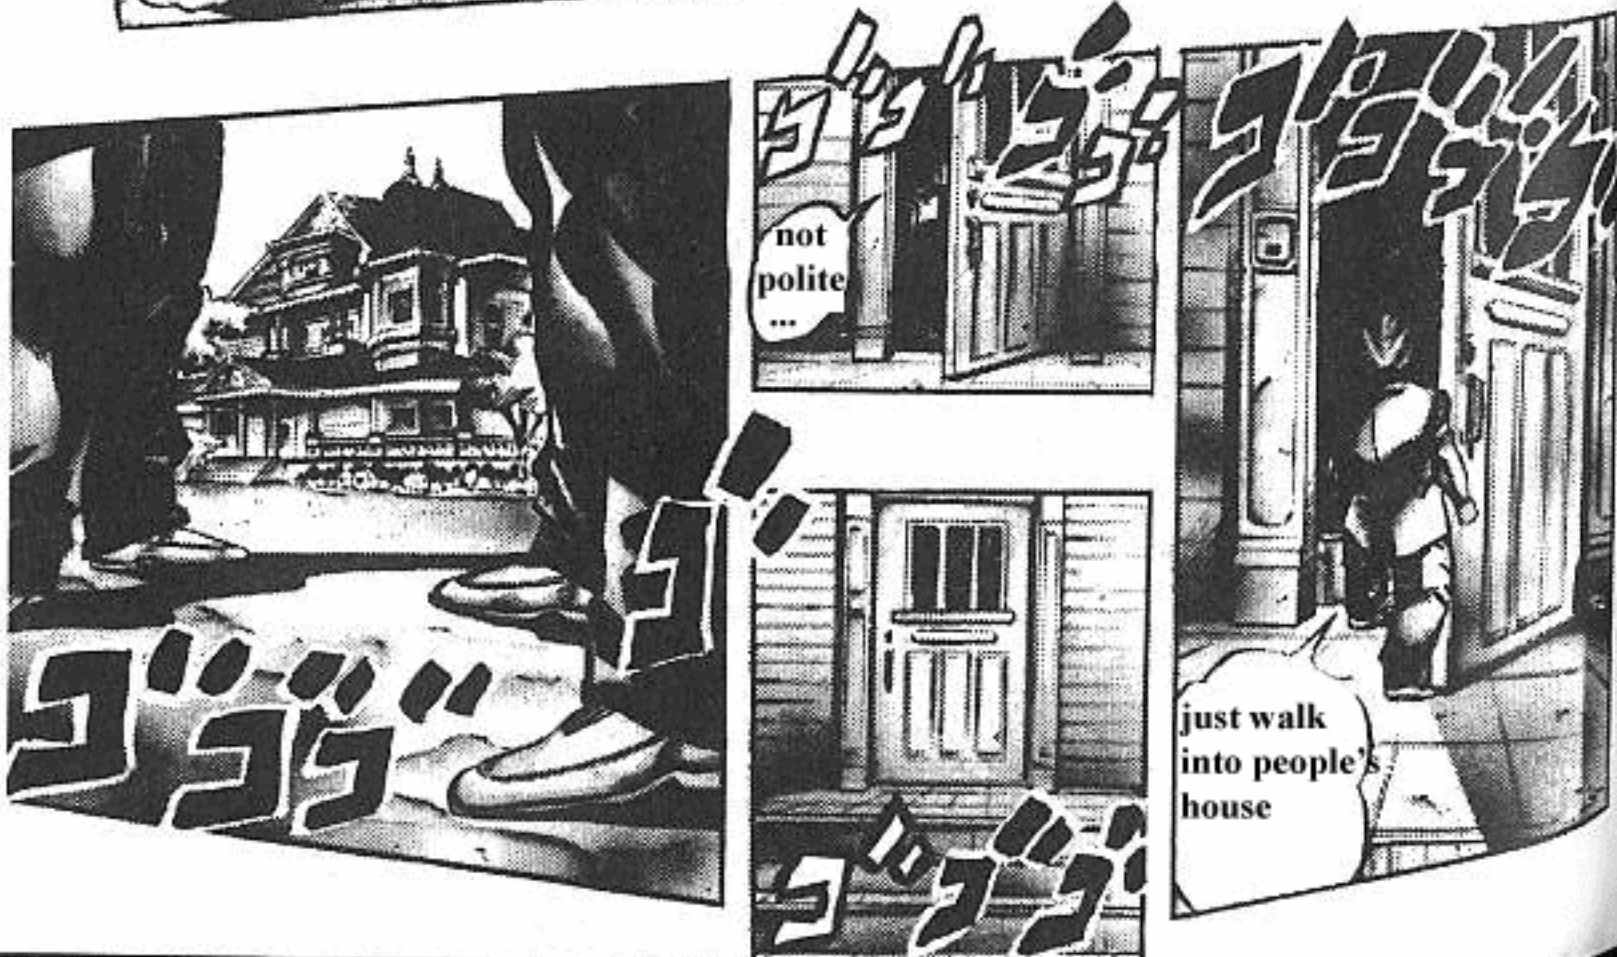

I was taking
off my clothes
to weigh myself
and then I
thought of some
.....

forget it....
If I forgot,
then it can't
be anything
important

what was
that?

I thought I had
something
very important
to do.

Rohan

I don't even know why I am here

↑「カリ」
sound of pen scratching on paper

Mr. Kishibe is working with full attention, his expression looks scary...

is working

he...

that Koichi headed toward an entirely different direction from school

Okuyasu, have you seen that?

Whose house is that?

What the hell is he doing? he went into someone's house

looking for hooker?

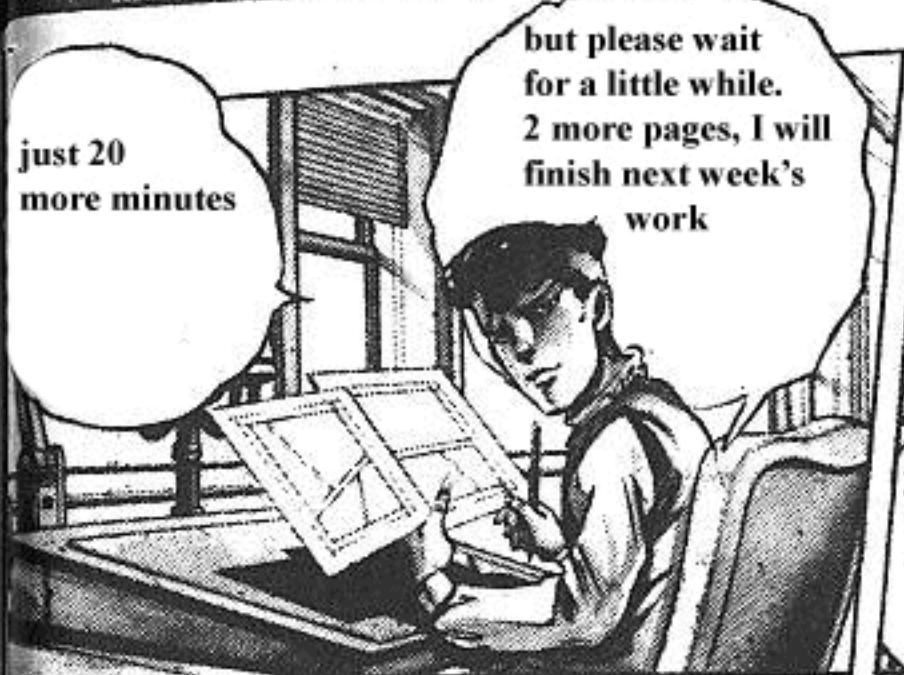

You will spend 20 minutes to fill that 2 pages on the table?

and it's for next week, didn't you just finish last week's work?

20 minutes
2 pages only take 20 minutes? did I hear it right?

just 20 more minutes

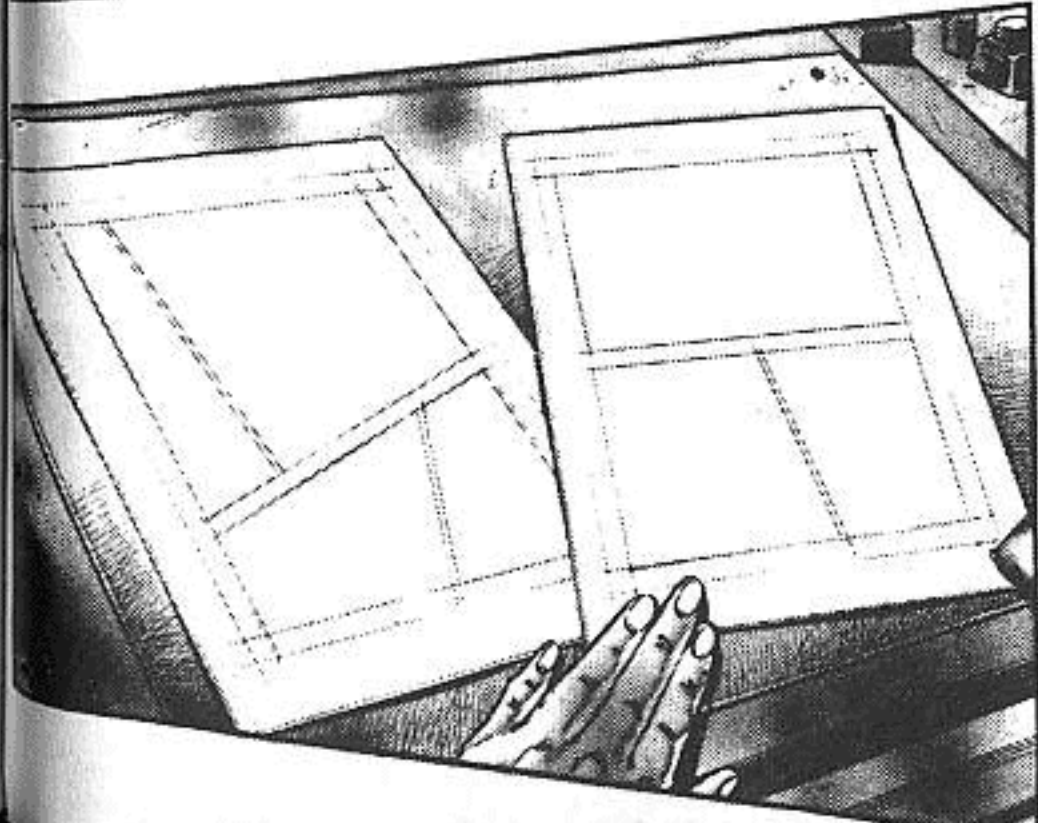

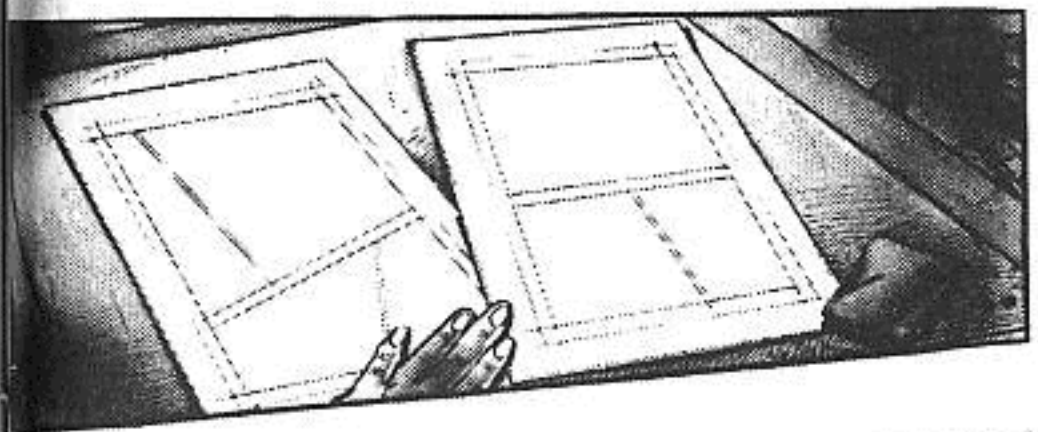

but please wait for a little while. 2 more pages, I will finish next week's work

I've been waiting for you

you're right on time

oh you're here

What's wrong with me? why am I even here? This feels like a dream, feels like something bad will happen here... I don't know

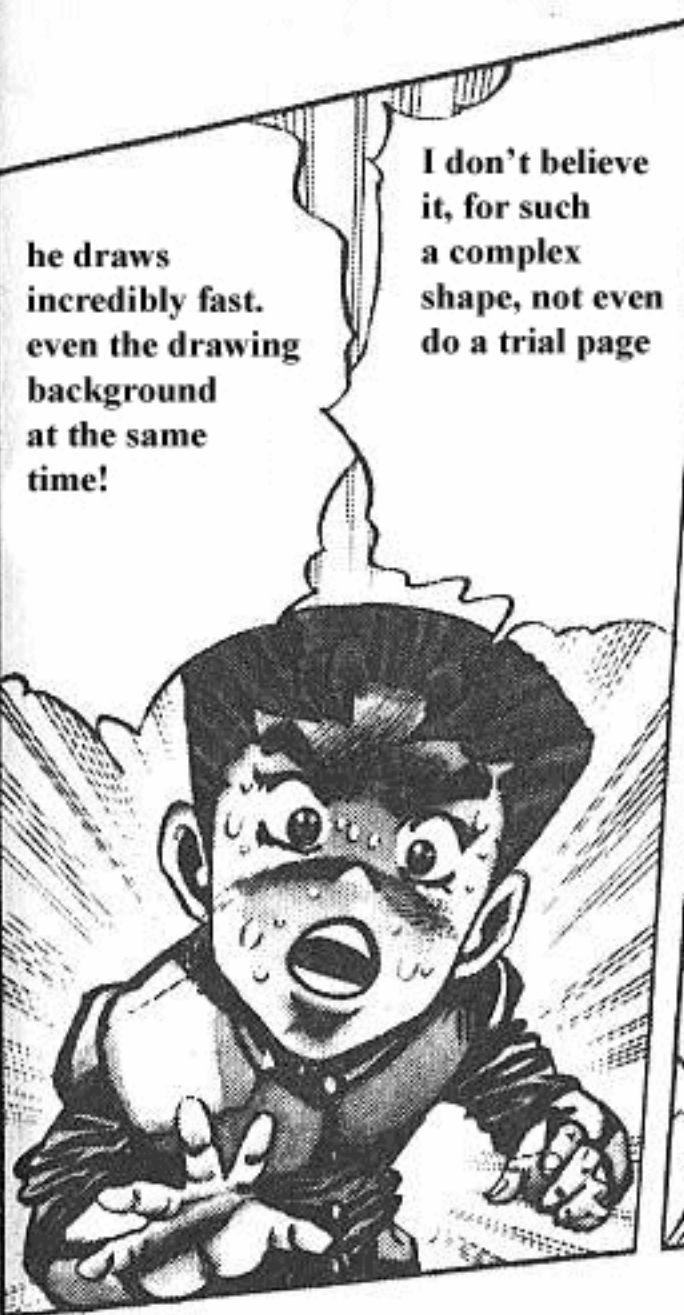

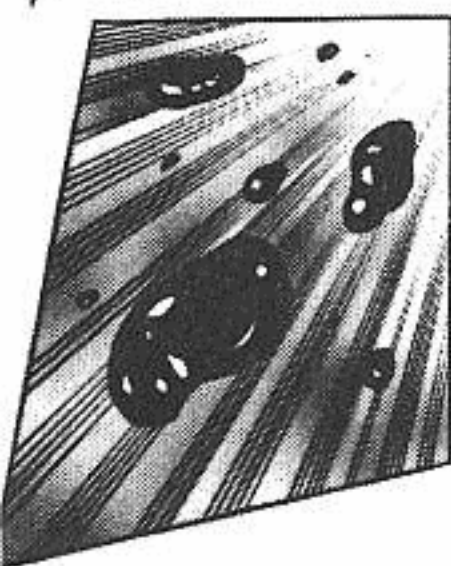

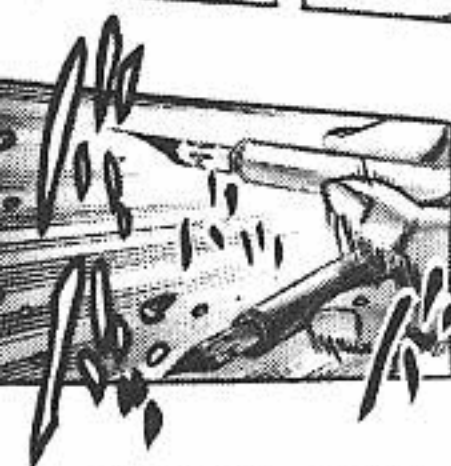

AH!

NO TRIAL!

噫!

I can't stop working.
the will to work
is overwhelming!

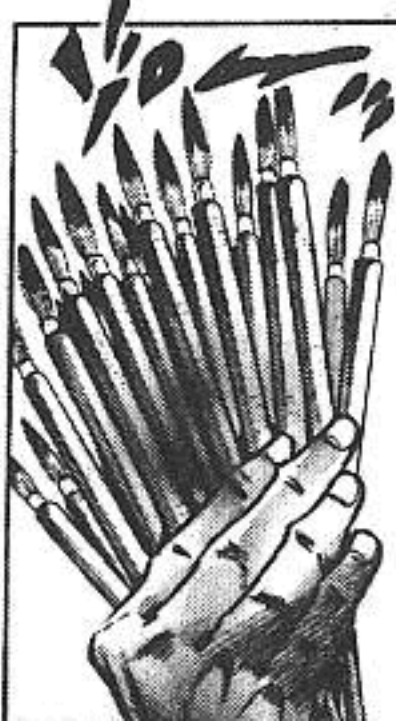

Koichi, it's all
because of you!
you lighted the
fire of will inside
me

the manuscript
only took 2
minutes to
finish
completely

after the
full page

This is my work!
from your experience
I found excellent
materials for my book!
your experience is
absolutely great! my
topic is based on
your real life
experience!!

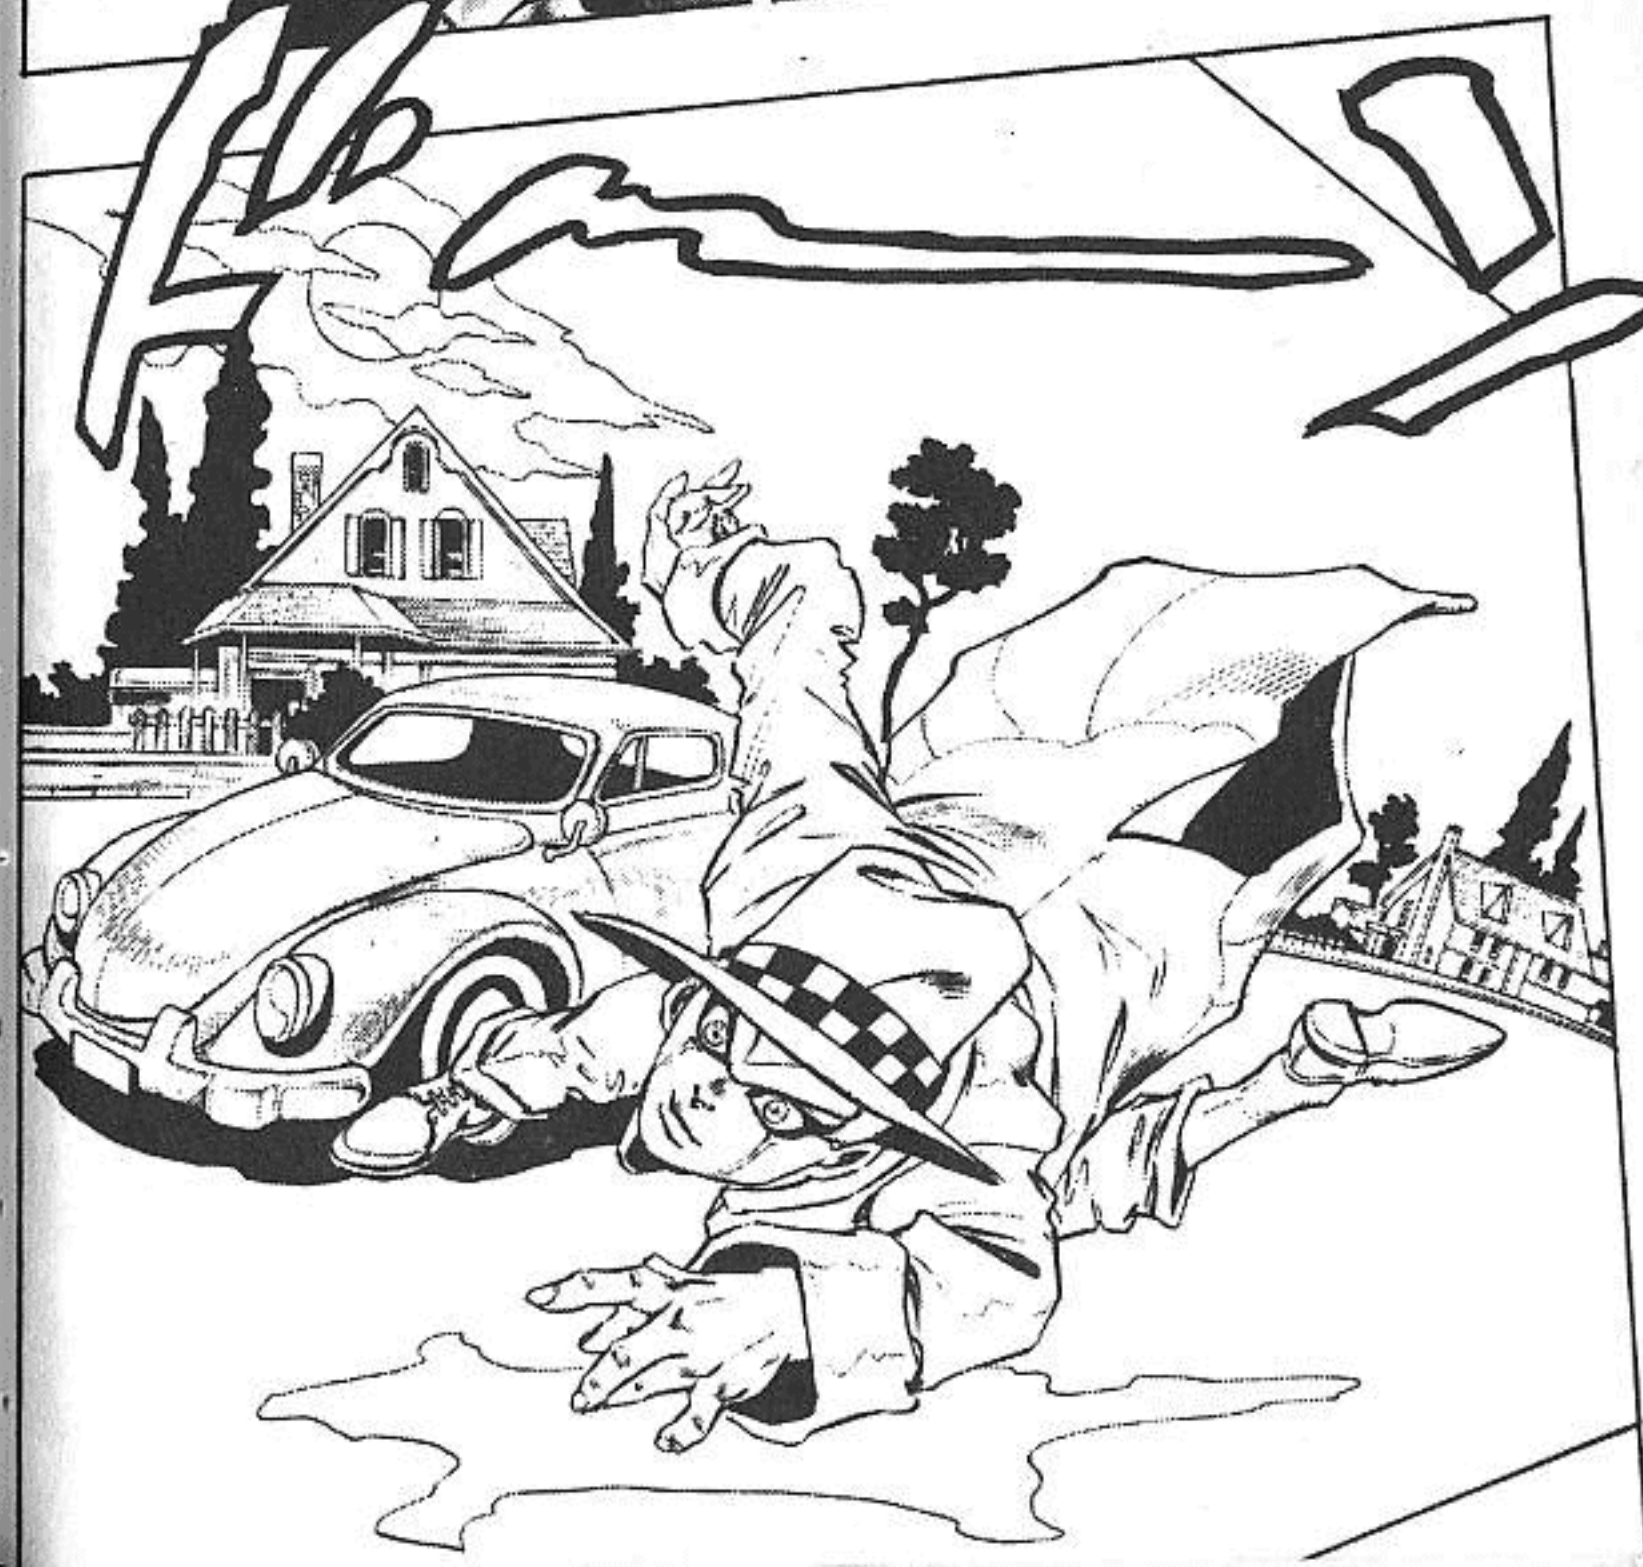

I finished 19 full
pages in a single
night, this has
never happened
before!

ink is like dart
in his hand.
the drops land
exactly where
he wants

what?
he's
throwing
ink

what is this
skill?
it's not
something all
comic writer
does!

I'VE GROWN, I AM NOT ONLY A COMIC WRITER, BUT ALSO AN EXCELLENT STAND USER!

MORE PAGES I TAKE THE LIGHTER YOU WILL BECOME, BUT I AM SURE YOU WON'T MIND, ALL OF YOUR EXPERIENCE WILL MY IN MY BOOK!
